

Saskatchewan Squash Team Selection

The following will be used by the Saskatchewan Squash Team Selection Committee to determine our Men's, Women's, and Masters Provincial Teams for the National Team Championships.

All Saskatchewan teams will be selected immediately following the last fall sanctioned tournament in November:

In order to be considered for any of the Saskatchewan Squash teams, each candidate must:

- Meet the requirements of the competition (i.e. gender, age, etc)
- Be available to meet all time requirements
- Submit an application to Sask Squash by November 15, outlining his or her ties to Saskatchewan, and including all relevant information toward the selection criteria, listed below.

At least one member of each team must be a current resident of Saskatchewan, with appropriate documentation (Saskatchewan Health Services card, driver's license, etc).

All team candidates must be members of Saskatchewan Squash, and have some other strong connection to Sask Squash - at the minimum be a product of one of our junior programs or a resident of Saskatchewan at one time.

Selection Considerations:

- PSA, WSA rankings
- Saskatchewan rankings
- Canada rankings
- Current season's sanctioned Saskatchewan Squash tournament results
- Other relevant recent results, especially head-to-head matches

The team members will be reimbursed for some of their travel and tournament costs, including accommodations and entry fees. The travel cost reimbursement for the Men's and Women's team members will be limited to the cost of a return trip to the competition from Regina or Saskatoon, whichever is more. The travel and tournament cost reimbursement for the Masters team members will be a maximum of \$500.
